

Children Ready For School Success

Early Years Transition Network November 2024

Dear early years providers and primary schools,

In order to support excellent, efficient and effective transition practice across the borough, we will be holding our third transition network.

The main purpose of the network will be;

- **A review of transition discussions, processes and documentation**
- **What went well?**
- **What can be improved?**

After listening to feedback from those that attended the previous networks we are holding 2 meetings rather than 4, you only need to attend one of these. Please see below how we have divided these up, the booking link is also provided.

Early Years providers are suggested to attend the network which holds most of their feeder schools. You are of course welcome to attend both!

If you have your own transition processes and did not attend the previous networks we are still requesting that all schools and early years providers attend, this will help us understand what your processes are, and how the children and families are supported during this important time. Schools will also be able to share how the Sept 24 cohort have settled!

Please see overleaf which schools will be represented in the different network venues and the booking link

Transition Network one: HAWTHRONS PRIMARY SCHOOL 4th Nov 2024	Transition Network two: COLLETON PRIMARY SCHOOL 6th Nov 2024
All Saints Bearwood Emmbrook Evendons Farley Hill Finchampstead Floreat Mont Gorse Ride Hatch Ride Hawthorns Keep Hatch Nine Mile Ride Oaklands St Cecilia's St Sebastians St Teresa's Water Infants Wescott Wheatfield Windmill Winnersh	Aldergrove Aldryngton Beechwood Crazies Hill Charvil Colleton Coombes Earley St Peters Grazeley Hawkedon Hillside Highwood Lambs Lane Loddon Polehampton Radstock Rivermead Robert Piggott Shinfield Sonning St Dominic Savio St Nicholas Southlake Willowbank Whiteknights Woodley

Early Years providers are suggested to attend the network which holds most of their feeder schools. The session starts at 4pm and will finish at 5pm.
