Ever wonder
what one small
person can do to
help fight the
climate crisis?

TALK

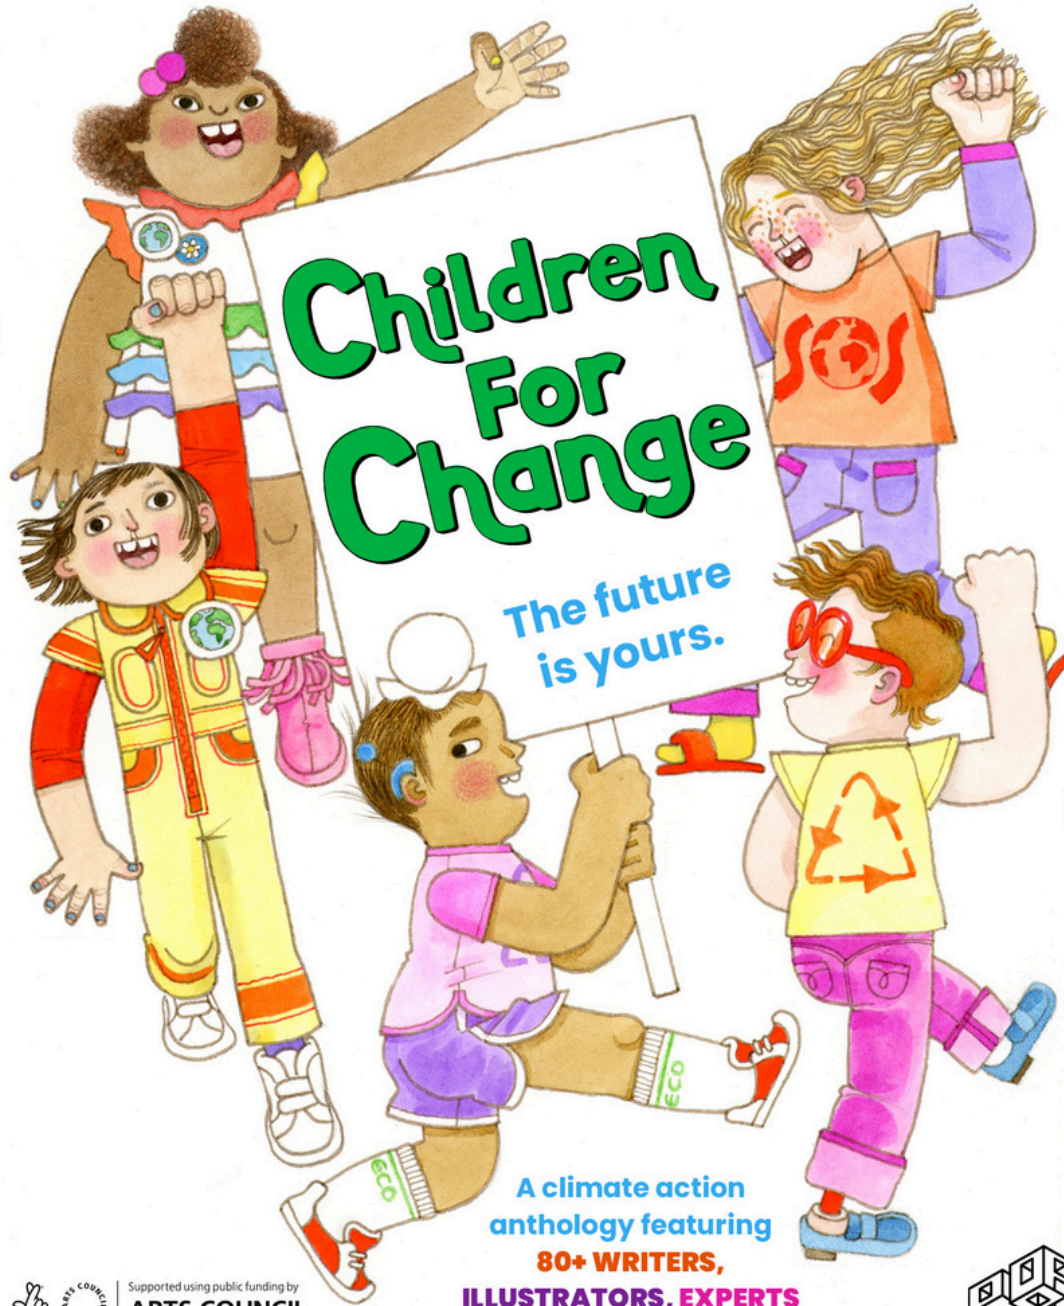

(ABOUT ANY SMALL ACTION YOU'RE TAKING)

Fighting the climate crisis involves changing lots of people's behaviour. The best way to do this is to talk about things you've done. Whether it's eating less meat, recycling, or buying fewer new clothes, your actions are **AMPLIFIED** when you tell your friends and family ♥

Edited by Konnie Huq
