

Children ready for School Success: Early Years Transition Network

What are our 2025 cohort
needs?

Dear Early Years Providers and Reception Class Teachers

**Our next transition network will be held at Walter Infant School and Nursery,
11th March, 4pm until 5pm**

During this session, **Hillside Primary and Nursery School** will be sharing insights into their **2024 cohort** and discussing **school readiness** for their current nursery children. This will also offer an opportunity for early years providers and schools to collaborate, identify potential needs for the **2025 cohort**, and explore additional transitional support that may be required.

Please book onto this session <https://wsh.wokingham.gov.uk/early-years-childcare-and-play/early-years-training-and-professional-development>
