

Cleaning, Waste and Recycling

Join Wokingham Council's cleaning and waste contracts and give your school the assurance of quality, compliance, and cost control. Our service supports strict hygiene and waste disposal standards using approved cleaning products and environmentally responsible practices. All staff are professionally vetted and trained in essential safeguarding, with regular audits to maintain high performance. By leveraging council-negotiated contracts and pricing, schools gain operational efficiency and budget certainty—helping you plan confidently while ensuring a clean, safe, and sustainable environment for students and staff.
