

Hi from the Ed Team!

The RISC Global Education has been busy! Over the summer we have gained a new member of the team so we thought we should introduce ourselves!

Hi, I am Leah and the newest member of the Ed Team. I have been a History teacher in Reading for the past 6 years and helped develop RISC's Global Histories resources so I'm excited to be back!

Hi! I am Manju and I am a secondary trained teacher, and work across various fields encompassing youth participation, race, activism and interfaith dialogue. I have extensive experience of delivering cross curricular global citizenship projects and teacher training for schools across Europe and India.
